If the County inadvertently makes a deduction from an employee who has not authorized said deduction or who has revoked said authorization in accordance with Section 4 of this Article, the Union agrees to refund said deduction to the affected employee. The Union further agrees to indemnify and hold the County harmless against any and all claims, suits, orders or judgments brought or issued against the County as a result of any action taken or not taken by the County under the provisions of this Article.

ARTICLE 6

CLASSIFIED SERVICE

ARTICLE 8

GRIEVANCE AND APPEAL PROCEDURE

The County and Union encourage employees to discuss problems with their immediate supervisors in an attempt to resolve problems before they become a formal grievance. If an employee and the County cannot resolve the problem, then the following grievance procedure shall apply.

A grievance is hereby defined as any disagreement arising during the term of this Agreement which is expressly limited to matters of interpretation or uniform enforcement of express provisions of this Agreement, the Rules, and any and all conditions of employment. The Union may file a grievance on behalf of any represented employee(s) or the employee(s) may individually file a grievance.

Section 1. Grievances. It shall be the policy of the County to give status employees an opportunity to discuss their grievances with the County in order to find mutually satisfactory solutions as rapidly as possible. The grievance procedure set forth herein is designed to preserve harmony and friendly relations between the County and its employees. Furthermore, the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee who may submit or be involved in a grievance. The grievance procedure shall not be used to change any provisions of this Agreement or the Rules, or filed for the purpose of getting an established policy, standard or procedure changed unless it is in conflict with the provisions of this Agreement. Performance evaluations may not be grieved pursuant to this Article.

In reducing a grievance to writing, the following information must be stated with reasonable clearness: the exact nature of the grievance, the act or acts of commission or omission, the exact date of the act or acts of commission or omission, the identity of the party or parties who claim to be aggrieved, the identity of the party or parties alleged to have caused the grievance, the specific provisions of this Agreement that are alleged to have been violated, and the remedy which is sought.

Grievances shall be processed in the following manner:

The Department Head shall respond in writing to the employee presenting the grievance within ten (10) working days.

Step 2. If satisfactory settlement is not reached under Step 1, the employee or his designated representative shall resubmit the grievance in writing

within ten (10) working days of receipt of the response from the Department Head to the Personnel Officer or his designated representative for submission to the Board. The Board shall hold a hearing with the employee or his designated representative within thirty (30) working days after receipt of the grievance in an attempt to settle the grievance. The decision of the Board concerning a grievance shall be made within ten (10) working days of the final hearing and reduced to writing, including both findings and decisions, and it shall be filed with the Personnel Officer with a copy to the Department Head, the subject employee and the Union President.

Decisions of the Board concerning a grievance are binding on all Department Heads and employees in the bargaining unit but may be appealed to a court of competent jurisdiction.

Time limitations as outlined in Step 1 may be extended in writing by mutual agreement between the employee or his designated representative and the Department Head.

Failure to answer a grievance in the allotted time limit shall be deemed a denial of the relief sought and the grievant may forward the grievance to Step 2.

Section 2. Appeals. Any status employee may appeal directly to the Board the following actions: Receipt of three (3) written reprimands regarding the same issue within a twelve (12) consecutive month period, suspension, demotion for cause, reduction in classification resulting in loss of pay, and dismissal.

The appeal shall be processed in the following manner:

Within ten (10) working days of the notice of the third written reprimand, suspension, demotion for cause, reduction in classification resulting in loss of pay, or dismissal, the employee may request to appeal the action to the Board.

Intent to appeal must be submitted in writing to the Personnel Officer or his designated representative for submission to the Board. The Board shall hold a hearing with the employee or his designated representative within thirty (30) working days after receipt of the appeal. The decision of the Board shall be made within ten (10) working days of the final hearing and reduced to writing, including both findings and decisions, and it shall be filed with the Personnel Officer with a copy to the Department Head, the subject employee and the Union President.

ARTICLE 9

SENIORITY

Section 1. Seniority means the total months of continuous service with the County as a Correctional Officer, since the last date of hire.

Section 2. The probationary period for new employees will be twelve (12) months. New employees shall be added to the seniority list upon the successful completion of their twelve (12) month probationary period. The probationary period will apply toward seniority.

Section 3. An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, or retirement. An employee's continuous service record shall not be broken by mutually agreeable leaves of absence of less than thirty (30) consecutive calendar days. However, leaves of absence of thirty (30) calendar days or longer without pay shall be deducted from an employee's continuous service record and seniority.

Section 4. In case of layoff, if any elected Union Officers are affected by such layoff, they will be allowed to continue to function in their official Union capacity in dealing with the County for a period of ninety (90) days unless other employment has been secured prior to the end of the ninety (90) day period, or unless they are replaced or removed from their elected office by the local Union.

ARTICLE 10

FUNERAL LEAVE

Section 1. In the case of the death of the employee's spouse, child, mother, father, stepmother, stepfather, mother-in-law, father-in-law, brother, sister, grandparent, great-grandparent, grandchild, or in the case of death of any other relative residing in the immediate household of the employee, the full-time employee shall be allowed twenty-four (24) hours funeral leave with regular pay to attend the funeral without deduction from his pay or accumulated sick leave.

Section 4. Upon the request, through normal administrative procedure, up to four (4) hours of paid leave may be granted if a full-time employee attends the funeral of a co-worker or retiree from the department in which the requesting employee is employed.

ARTICLE 11

HOLIDAYS AND LEAVES OF ABSENCE

Section 1. Compensation for Absence on Holidays. All holidays shall not exceed eight (8) hours in duration. The following shall be considered core holidays:

New Year's Day	Thanksgiving Day
Martin Luther King, Jr. Birthday	Christmas Day
Fourth of July	

In addition, the County will provide sixty (60) noncumulative hours of holiday leave to all eligible employees to be granted as follows: thirty (30) hours the first pay period of the contract year and thirty (30) hours the fourteenth pay period of the contract year. At the end of each contract year, employees shall be compensated for unused holiday time at their current rate of pay.

Employees who are scheduled to work and who actually work on an authorized holiday, and who work in a seven day a week or twenty-four hour a day operation, shall be paid one and one-half (1 ½) times the hourly rate for such hours worked in addition to holiday pay.

No holiday leave hours will be authorized for less than a one(1) hour block.

Section 2. Qualification for Holiday Pay. In order to qualify for holiday pay, an employee must be in a regular pay status on the regular work days immediately before and after the holiday.

Any core holiday listed in Section 1 of this Article falling within a vacation period shall not be considered working days in determining a vacation period.

Section 3. Leaves of Absence. All leaves of absence must be requested in writing to and approved by the Department Head in advance of leave being taken. Exceptions may be made in an emergency.

Section 4. Vacation Leave. Employees shall earn vacation leave with pay according to the following schedule:

- A. Less than four (4) years of service — At the factored hourly equivalent of eighty-eight (88) hours per year.
- B. Beginning at the fifth (5th) year of service — At the factored hourly equivalent of one hundred twenty (120) hours per year.
- C. Beginning at the tenth (10th) year of service — At the factored hourly equivalent of one hundred fifty-two (152) hours per year.
- D. Beginning at the fifteenth (15th) year of service — At the factored hourly equivalent of one hundred seventy-six (176) hours per year.

- E. Beginning at the twentieth (20th) year of service — At the factored hourly equivalent of one hundred ninety-two (192) hours per year.

No vacation will be authorized for less than a one (1) hour block. Vacation time shall not be unreasonably denied.

Vacation leave shall not accrue during any period of absence without pay or without leave. Accumulation of vacation leave shall be on a continuous basis and an employee may carry a balance of no greater than two hundred forty (240) hours.

Section 5. Sick Leave:

- A. Sick leave is only to be used for sickness, family illness, personal and family medical appointments, injury, disability or funeral leave as outlined in this article and for no other purpose. An employee who uses sick leave for any other purpose may be subject to discipline. Each status employee shall earn Sick Leave hours at the factored hourly rate specified to equate to thirteen (13) days per year or one hundred four (104) hours per year for a full-time employee. Sick Leave shall not accrue during any period of absence without pay. Sick Leave shall be earned, but not granted, during the first six (6) months of employment. No refund of vacation shall be allowed due to illness incurred while on vacation.
- B. The Department Head may require a doctor's certificate be obtained on an annual basis for the continued medical condition.
- C. An employee may use up to forty (40) hours per calendar year for illness in the immediate family or family medical appointments. Under no circumstances can an employee use more than a total of forty (40) hours for family medical appointments or illness in the immediate family.
- D. Immediate family for the purpose of sick leave usage is defined to be spouse, child, parent, step-parent, sister, brother, employee's grandparents and great-grandparent. Immediate family will also include any other family member, whether it be by blood or legal marriage, or legal adoption or foster children, residing in the same household.
- E. Accumulation of sick leave credit shall not exceed one thousand eight hundred seventy-two (1872) hours at any one time. Disability retirement shall not be effective until accumulated sick leave has been used. Upon retirement or death, the employee or the employee's estate shall receive thirty percent (30%) of accumulated Sick Leave. The payment will be at the regular hourly rate of the employee at the time of retirement.
- F. An employee who is absent because of sickness shall inform his immediate supervisor of the fact and the reason therefore as soon as possible; failure to do so within a reasonable time may be cause for

denial of pay for the period of absence. The Department Head may require a doctor's certificate or other evidence of illness before approving sick leave with pay; such certificates shall be transmitted to the Personnel Officer with the report of sick leave for entry in the employee's records. Sick leave may be denied when the County has facts showing that an employee is abusing sick leave.

- G. Once an employee has exhausted Sick Leave, any leave will be considered leave without pay and may not be granted. The County may deduct from the employee's vacation balance at its discretion.
- H. An employee, at his discretion, may supplement his worker's compensation payment to bring the total sum of worker's compensation payment and sick leave to a figure equivalent to a full pay check.
- I. An employee who voluntarily separates, other than retirement, from employment with the County after fifteen (15) consecutive years of service with the county shall be paid thirty percent (30%) of their accumulated sick leave balance in excess of one thousand (1000) hours. Payment shall be made based on the employee's current hourly rate of pay.
- J. When an employee resigns under normal circumstances, sick leave will not be paid for the period of time between the date of the resignation and the last day of employment. An exception to this would be made in cases involving employees injured on duty.
- K. Once a month, a printout of sick leave usage, by employee, will be sent to the Department Head with a copy to the Union President. This is an attempt at cooperation and a sharing of concern of sick leave use.

It is mutually agreed that it is the responsibility of the Union and the County to monitor sick leave usage. When either party feels that an employee is excessively using or abusing sick leave, that party shall notify the other. It shall then become the responsibility of the Union to counsel that employee in an effort to avoid possible disciplinary action.

Section 6. Injury Leave. Any employee who is injured in the performance of his duties shall receive the difference between his regular pay and the Worker's Compensation payment for a period not to exceed ten (10) working days. Failure to immediately report an accident which may result in injury may cause forfeiture of the additional benefit.

Such injury leave shall not be deducted from vacation or sick leave credits.

Section 7. Leave for Jury Duty. Any employee called to serve jury duty shall receive his regular pay in addition to the compensation received for ten (10) working days of jury service. For jury service exceeding ten (10) work days during one (1) jury term, the employee shall receive the difference between his regular pay and the compensation received for such jury service.

Section 8. Military Training Leave. All employees who shall be members of the National Guard, Army Reserve, Naval Reserve, Marine Corps Reserve, Air Force Reserve, and Coast Guard Reserve, shall be entitled to leave of absence from their respective duties, without loss of pay, on all days during which they are employed with or without pay under the orders or authorization of competent authority in the active service of the State of Nebraska or of the United States, but not to exceed fifteen (15) work days in any one (1) calendar year. Such leave of absence shall be in addition to the regular annual leave of the persons named herein. When the Governor of the State of Nebraska shall declare that a state of emergency exists, and any of the persons named in this section are ordered to active service of the State of Nebraska, an additional leave of absence will be granted until such member is released from active service by competent authority. During the additional leave of absence because of the call of the Governor, any official or employee subject to the provisions of this section shall receive such portion of his salary or compensation as will equal the loss he may suffer while in active service of the State. Governmental officers serving a term of office shall receive their compensation as provided by law. No employee shall be treated any differently than as outlined in Federal statutes addressing military leave. The above mentioned fifteen (15) working days are permitted only for annual training exercises or active duty assignments.

Section 9. Special Leave. In addition to leaves authorized above, the Department Head may authorize an employee to be absent without pay for personal reasons for a period or periods not to exceed ten (10) working days in any calendar year, provided he has used all accumulated vacation leave.

Leave of absence without pay may be granted status employees by the Department Head. The Personnel Officer must be notified of leaves in excess of thirty (30) calendar days.

The Department Head, with approval of the Personnel Officer, may grant such employee leave of absence without pay for a period not to exceed one (1) year for travel or study which will render the employee of greater value to the County upon his return to duty. Such leave shall be granted only when it will not result in undue prejudice to the interests of the County as an employer beyond any benefits to be realized. No leave without pay shall be granted except upon written request of the employee. No such leave shall be granted primarily in the interests of the employee except in the case of one who has shown by his record of service or by other evidence to be of more than average value to the County, and whose service it is desirable to retain even at such sacrifice. Failure on the part of an employee on leave to report promptly at its expiration, without good cause, shall be considered as a resignation.

Leave with pay for public health or safety duties of an emergency nature may be authorized by the Department Head upon approval of the Personnel Officer. Such leave will not be deducted from vacation or sick leave.

Section 10. Pregnancy and Parental Leave. A pregnant employee shall request in writing and with a physician's certificate that leave be granted at any time during the period of pregnancy and the period immediately following the birth.

This leave may be with pay if the employee has sufficient accrued sick leave and/or vacation leave to be allocated as per the employee's directions. Otherwise, the leave will be without pay. It is the responsibility of the employee to obtain a doctor's statement within four (4) weeks following the birth which certifies the date the employee is physically able to return to work.

Parental leave for bonding after the birth or adoption of a child may be granted pursuant to the provisions of the Family and Medical Leave Act of 1993.

Section 11. Leave of Absence Without Pay to Accept Appointment in the Unclassified Service. An employee may be granted leave without pay from his status position to accept appointment to a position in the unclassified service. The employee may return to a comparable position for which he has status at any time and shall be entitled to receive the rate of salary of the previously held classified position he would have received had he not left to serve in the unclassified position. In the event the rate paid in the position to which he was returned is below the top rate of the grade, he shall be entitled to advance in accordance with Rule 19.9 without change in anniversary date.

Section 12. Absence Without Leave. Any unauthorized absence of an employee from duty shall be deemed to be an absence without pay and may be made grounds for disciplinary action by the Department Head. In the absence of such disciplinary action, any employee who absents himself for three (3) or more days without authorized leave shall be deemed to have resigned. Such absence may be excused, however, by the Department Head by a subsequent grant of leave with or without pay where extenuating circumstances are found to have existed.

Section 13. Leave Sharing. When a member of the Bargaining Unit incurs a serious non-service connected illness or injury which has been medically verified, and the injury or illness extends one (1) week after all leave time has been utilized, members of the Bargaining Unit may voluntarily transfer to the affected member's sick leave account personal holiday time and vacation time, to maintain the affected Bargaining Unit employee in a pay status for a period not to exceed 1,120 hours of duty time beyond such time as the expiration of the affected member's sick leave balance. After a one (1) week waiting period, the ill or injured employee shall be paid retroactively for that week. This policy shall be strictly voluntary on the part of the individual members of the Bargaining Unit. Donations may be made in any hour amount. It is the time (hours/days) that is being donated, not the dollars represented by that time. Lancaster County, and the Lancaster County Department of Corrections shall be held harmless of any provision of this Article. Seniority will not accrue while on leave pursuant to this section.

ARTICLE 12

Section 2. Generally eight (8) hours, exclusive of a 30 minute lunch period, shall constitute a work day and forty (40) hours or five (5) days shall constitute a work week for full-time employees. Employees who for any reason work beyond their regular quitting time into the next shift shall be granted the regular rest periods that occur during the shift.

Section 4. Work schedules showing the employee's shifts, work days, and hours shall be posted on department bulletin boards at all times.

ARTICLE 16

OVERTIME

Definitions for purposes of this Article include:

- A. Voluntary Overtime - Overtime that an employee accepts by choice.
- B. Mandatory Overtime - Overtime that an employee shall be required to work.
- C. Emergency - Unforeseen circumstances or the resulting state that requires immediate action. An emergency may include, but is not limited to a significant disruption or threat of disruption of normal facility procedure, policies, or activities caused by riot, fire, earthquake, attack, escape, demonstration, *force majeure*, or other similar disturbances.

Section 1. Work performed by employees in excess of forty (40) hours in any work week shall be compensated at the rate of one and one-half (1 ½) times the regular hourly rate of the employee.

Section 2. No overtime work or compensation will be allowed without prior approval by the Department Head or his designee.

Section 3. Vacation and Holiday leaves shall be counted as hours worked in computing overtime with the exception of sick leave which will not count as hours worked for the purpose of computing weekly overtime.

If an employee is called to duty during his off-duty time, and such time does not merge with his scheduled tour of duty, such employee shall be paid for a minimum of two (2) hours at the rate of time and one-half (1 ½) or one and one-half (1 ½) times the actual number of hours worked, whichever is greater.

Section 4. The Department will develop a standard operating procedure for the granting of voluntary and mandatory overtime.

Section 5. Procedures:

- A. When an overtime requirement develops, the overtime will be offered in the most prudent and expedient manner to persons who have expressed an interest in working overtime. Any officer may contact the supervisor arranging coverage and request to work any open slot.
- B. When an overtime requirement is identified in advance, the Department may post the opening and allow staff to sign up. The senior officer will be scheduled and expected to work the overtime. Officers completing a minimum of four (4) hours of voluntary overtime will have their name moved to the top of the mandatory overtime list.

- C. It is understood that not all slots may be readily covered using the above guidelines. In those cases, supervisors will use discretion in allocating the overtime in a fair and effective manner.
- D. Officers interested in working overtime must notify their respective supervisor. Responses will be used to create an overtime list. Staff may add or remove their name at any time.
- E. When a mandatory overtime requirement develops, the slot will be covered by holding an officer over from the preceding shift. This will normally be the officer on the bottom of a rotating mandatory overtime list.
- F. The Department will maintain a mandatory overtime list. The supervisor on duty will check the mandatory overtime list and hold over the officer(s) lowest on the list who are currently on duty at either facility. The officer(s) being held over will be required to work the full period of mandatory overtime. The name(s) of the officer(s) being held over will be moved to the top of the mandatory overtime list.
- G. The mandatory overtime list will initially consist of all officers with thirty (30) days experience or more, in order of seniority, with the most senior officer at the top of the list. New officers will be added to the bottom of the list after thirty (30) days experience.
- H. The Department retains its authority to require officers to work in the event of an emergency, in any manner necessary.

Section 6. Any officer who voluntarily or involuntarily works any overtime on a holiday will be compensated at two and one-half times the officer's hourly rate of pay.

ARTICLE 17

SHIFT BID

Section 1. All operations shift positions held by correctional officers will be open for bid on a semi-annual basis. Schedules that are bid will take effect in April and October of each year.

In the interest of staff training and development for Correctional Officers, the department reserves the right to assign or re-assign any Correctional Officer with less than one year's experience to any open position or positions held by a Correctional Officer with less than one year's experience. Officers with more than one year's experience may volunteer for any reassignment.

After an initial assignment is made, the department will provide two weeks notice to any employee (employees) affected before any reassignment is made.

For this article only: definition of an Experienced Officer: having satisfactorily completed probation; Inexperienced Officer: having not yet completed probation.

Section 2. The Department reserves the right to assign Correctional Officers to Property Sanitation Officer, I.D. Officer, Transport Officer and Classification Officer. The Department further reserves the right to remove a Correctional Officer from an assigned position. Any Correctional Officer removed from an assigned position between the semi-annual bid will be moved to an open operations shift and days off by the Department.

Section 3. Operations staffed shifts required a minimum of three (3) male Correctional Officers and three (3) female Correctional Officers be assigned or bid to each shift at the Intake and Detention Facility; and minimum of two (2) male Correctional Officers and two (2) female Correctional Officers be assigned or bid to each shift at the Lancaster Correction Facility.

Staff will be distributed in such a manner that at least two (2) male Correctional Officers and two (2) female Correctional Officers are scheduled on the official shift schedule each day of the week at the Intake and Detention Facility; and at least one (1) male Correctional Officer and one (1) female Correctional Officer are scheduled on the official shift schedule each day of the week at the Lancaster Correctional Facility.

Section 4. Correctional Officers will be allowed to select shifts and days off and facility. Shift bids will be based on seniority. The Department will identify the number of Correctional Officers who will not have twelve (12) months experience at the time the new schedule will take effect. The Department will subtract the number of officers who are over the authorized staffing level of Correctional Officers from the number of Officers who will not have 12 months experience at the time the new schedule will take effect. This number will then be divided by three and the Department shall evenly distribute inexperienced staff across the three shifts. In the event that the number does not divide by three, the Department will allocate the number of inexperienced

officers evenly across the three shifts to the maximum extent possible. The Department may then allocate each additional position – beyond those that it can allocate evenly across the three shifts – to whatever shift it chooses. Inexperienced officers will then be assigned to the open positions.

In the event of an emergency the department reserves the right to temporarily reassign officers in order to insure that each facility and shift has the necessary experience. For the purposes of this clause, “emergency” shall be limited to when a Corrections facility or the County as a whole is suffering unforeseen circumstances or a resulting state that requires immediate action due to a significant disruption or threat of disruption of normal facility procedure, policies, or activities caused by riot, fire, earthquake, attack, escape, demonstration, *force majeure*, or other similar disturbances.

Persons that are affected by the involuntary shift change shall be exempt from an involuntary shift change on the next following bi-annual bid. In such situations, the department will require the involuntary shift change to be made by the next least senior Correctional Officer(s) from the shift that has adequate coverage so that it will not create further shift transfers to fill the required shift.

Section 5. Shift schedules will be in effect beginning the first pay period in April and October. The shift schedule to be bid will be posted on the first Tuesday of the preceding month. The bid process will commence on the second Tuesday of that preceding month, March and September respectively.

Officers will be expected to make themselves available during the bid process until it is completed.

Section 6. Officers will be contacted in order of seniority, starting with the most senior officer, to select their shift and days off from the remaining open positions.

Once contacted, officers will have two hours to return the call and make their selection. After two hours have passed, the Department will move on to the next name on the seniority list. Messages left on answering machines will constitute a contact.

Section 7. Once the bid process is completed and the new schedule approved, it will be posted until it goes into effect.

Section 8. Officers may request to change days off on their shifts as positions become available. Each officer will be allowed only one change between each bid. Where more than one officer requests an opening, seniority and male/female positions will be the determining factor. This change of days off will not require a two (2) week notice.
